RMCB21-02-1 MOTUEKA COMMUNITY BOARD CHAIR'S REPORT

Decision Required

Report To:	Motueka Community Board
Meeting Date:	16 February 2021
Report Author:	Brent Maru, Chairman, Motueka Community Board
Report Number:	RMCB21-02-1

1 Summary

1.1 This is the Motueka Community Board Chairman's regular monthly report.

2 Draft Resolution

That the Motueka Community Board receives the Motueka Community Board Chairperson's report RMCB21-02-1

3 Welcome Emma

3.1 On behalf of the Board, an official welcome to Emma Gee our new Board Secretary.

Recommended Action:

Board to note.

4 Boxing Day Hail event

4.1 As requested by the Board I have written to the Hon Damien O'Connor expressing our concern at the level of economic impact this event will have on our community over the coming months.

Recommended Action

Update for the Board.

5 Motueka 2030

5.1 Congratulations to Board Member Armstrong who was elected as Chair for the Motueka 2030 project.

5.2 All Board members are invited to Motueka 2030 meetings.

Recommended Action:

Any updates from Board Member Armstrong.

6 Council Updates – Councillor Ogilvie

6.1 Update from Cr Ogilvie attached.

Recommended Action:

Board to note.

7 Motueka Beach Reserve

7.1 Cr Dowler, Steve Richards and I met with Bob Cooke and members of the Salt Water Baths committee to talk over the new toilet / change block.

7.2 Steve provided detailed drawings and engaged in good dialogue with the members who have supported the proposed renewal.

Recommended Action:

Board to note.

8 SH60 High Street refurbishment

8.1 Assuming NZTA's work on High Street lights and pedestrian crossings goes ahead this year, the refurbishing and landscaping of the CBD to make it more people-friendly should be pursued.

8.2 Several organisations have a considerable interest in providing input for such a project, including Our Town Motueka, Keep Motueka Beautiful and Motueka Arts Council, as well as Tasman District Council staff.

8.3 It is proposed that the Board should take a strong interest in this, and ensure that broad community input is encouraged and prioritised.

8.4 Likewise, several organisations have a stakeholder interest in the appearance and usability of the museum forecourt. As well as the groups above, there is also Parklands School and the Museum Trust Board, plus TDCs Parks & Reserves, and Roads departments. To address the museum forecourt at the same time as CBD refurbishment would make heaps of sense.

Recommended Action:

Board to discuss.

9 Items from Board Members

9.1 Are there any items from Board members?

Recommended Action:

Board to discuss.

10 Motueka Youth Council

10.1 Are there any items from Youth Council representatives?

Recommended Action:

Board to discuss.

11 Items from the Public Forum

11.1 Are there any items raised in the public forum requiring further discussion?

Recommended Action:

Board to discuss.

Report to the Motueka Community Board - Meeting Feb 16th, 2021

The Year Ahead

This year, 2021, the middle year of the Council term is typically demanding.

A Long Term Plan (2021-2031) will be a central focus but the Government's proposals for the "Three Waters" & the Resource Management Act indicate a fundamental change to local government in N.Z. in the near future. The details to come.

MA Highlights for Motueka, the new Library, refurbishing the River's stopbanks, the Water Treatment Plant in Parker St., improvements to the Wastewater system, & Thorp St water main replacement will be the main features, & very pleasing.

Storm Water

It is disappointing that capital works for Motueka Stormwater are unlikely, at least ~~\$0~~ until July 1st & the Long Term Plan.

The heavy rain events of early November, & late December highlighted maintenance concerns, especially with local Sumps/soak pits in Bennett McGlashan, Queen Victoria Streets, Also in Lodder Lane.

Other than Wratt St./High St the usual problem areas of central east Motueka managed.

Motueka's stormwater network is in need of major capital works:- drains, detention ponds, tidal gates, pump stations for example.

Cycle Lanes

Apart from the Great Taste Cycle Trail, which skirts the town, there are no cycle lanes in Motueka.

Plans for cycle lanes on the "School Circuit" of High St, Whakarewa St, Grey St, & Pah St, have been promoted but not actioned.

Similarly, with Thorp St., Old Wharf Rd, & central streets.

Support from the Community Board for

②

these would be welcome.

Toilets

The upgrade for the North St./Beach Reserve toilets is appreciated. The Tapu Bay toilet has been delayed, but should be in place by June.

Recently, some residents have expressed concern re the Goodman Park toilet being approved because of the current two toilets nearby, & also the poor state of Wallace St & Pah St toilets.

Can the Goodman Park project be cancelled?

Subdivisions/Developments

At the Operations Committee on December 10th, staff reported the following

- Application Stage :- Total lots 73
- Engineering Plan Stage :- " " 249
- Construction Stage :- " " 406
- As-Built Stage :- " " 53

These covered the District, including Rural-Residential, Wakefield, Brightwater, Mapua, Takaka, & Richmond.

There were none in Motueka, nor were there any in a similar report at the Operations Meeting on October, 29th, or September 17th.

David Ogilvie
3/Feb/2021.

17

Note – updated from the Board meeting of 15th December 2020

Item	Minute/Action	Accountable Officer	Status
October 2020	Chair Maru and Board Member Tomsett to arrange a site visit with Phil Lister, to view various safety concerns on the shared pathway between Riverside Community and Motueka township	Chair Maru/Board Member Tomsett	15/12/20 Board Member Tomsett will continue to try and make contact with Phil Lister.
November 2020	Chair Maru to follow up with Motueka Greypower in relation to their request to remove the Janine Seddon monument.	Chair Maru	
November 2020	Chair Maru to invite CE of Nelson Bays Primary Health, Sara Shaughnessy to a meeting to discuss the challenges with accessing health care in the community	Chair Maru	15/12/20 has met with Sara and has requested a further meeting early next year.
November 2020	Mr Kirby to follow up with NZTA (Roger Ashworth) in relation to Board Member Horrell's concerns regarding the tarseal repairs needed on High Street North and the buildup of logs under the Motueka Bridge.	Mr Kirby	19/11/20 High Street North Reseal - NZTA are aware and looking to fix but this is weather dependant and they need consecutive hot, sunny days before they can go back. 19/11/20 Motueka Bridge - The NZTA Bridge and Structures team have visited the site and are not concerned about the debris at the moment but is on their radar to remove the debris once river levels have dropped.
November 2020	Mr Kirby to follow up Board Member Horrell's enquiry about the lack of road side mowing in the area and in particular the Moutere Highway.	Mr Kirby	19/11/20 Roadside Mowing – the mowing frequency has not changed. I have not asked for it to be done, as I know it will be done as part of the normal mowing schedule.
December 2020	Cr Walker to continue discussions with the Mayor, Council and MSD in relation to the homelessness challenge.	Cr Walker	

Item	Minute/Action	Accountable Officer	Status
December 2020	Chair Maru to email the Mayor and CE to inform them that the issue of homelessness has been raised.	Chair Maru	
December 2020	Chair Maru to request the maintenance programme for maintaining the stormwater system.	Chair Maru	03/02/20 Reply from Steve Elkington "In regards to cleaning of Sumps and Soak Pits in Motueka, this work has been completed over the last 12months. There is no plan to undertake widespread sump cleaning until after June this year. Individual sumps requiring cleaned will be treating on a case by case basis. From a recent inspection of in excess of 50 sumps across Motueka township, the sump grates were observed with little if any debris and the chambers had good capacity below the outlet invert pipe, with little or no debris observed. Some of these sumps held water in the settlement chamber with leaf debris floating on top. There are also a number of smaller sumps of approx. 450mm square that are planned to be upgraded overtime. These sumps have grates that do not permit high inflow so a larger sump with back entry will make a difference. There were two sumps noted, one opposite 54 Greenwood St beside the Reserve that requires the chamber cleared of leaf litter, but below the outlet pipe, and a sump outside No. 22 Pethybridge St that appears to have hard packed Clay build-up in the bottom, but still having good capacity and well below the outlet pipe. In terms of Thomason Ave soak pits, a proposal to install two further pits are currently out for pricing and planned to be constructed this financial year. Finally, if there are sumps of concern, please either contact me and I will view these with members of the board or,

Item	Minute/Action	Accountable Officer	Status
			report them in a Service Request and Tasman Alliance staff will inspect and if required action cleaning.
December 2020	Chair Maru to write a letter of support to Richard Hollier for urgent repairs and maintenance to be carried out at Bocce Court, Beach Reserve, Motueka	Chair Maru	
December 2020	Board member Horrell to report back with the exact locations of significant undulations on the Korere-Tophouse Road.	Board Member Horrell	
December 2020	Mr Kirby to discuss the tone in a letter from Compliance Staff to the public with Mr Bush-King and Chair Maru to discuss with CE.	Mr Kirby/Chair Maru	05/02/21 This has been dealt with. An apology has been sent and measures implemented to ensure messages are conveyed with empathy in all future correspondence.

Motueka Skate Park	<u>\$30,000.00</u>	
Installation and upgrade of social seating	<u>\$10,000.00</u>	
Footpath - Martin Farm Road Kaiteriteri	<u>\$10,000.00</u>	
Raised safe crossing Poole Street	<u>\$10,000.00</u>	Funds Paid
		\$85,297.78

BALANCE **\$934.22**

PLUS BUDGET ALLOCATION **\$52,854.00**

TOTAL UNALLOCATED FUNDS **\$53,788.22**

Proposed 2020/21 Projects	Funds Awarded	Status	Allocated Overseer
<p>Refuge Crossing – Thorp Street near Totara Park</p>	<p>\$30.000</p>	<p>05/02- Steve Elkington - Work on this proposal has not started. While the objective is to improve pedestrian safety and ease of movement, it is important to choose the right facility and location to ensure maximum benefit, while having the desired effect on traffic speeds. As part of the work presently underway on developing a Speed Management Plan for the district including Motueka, this will assist in the planning of pedestrian facilities. Therefore it is recommended a Refuge crossing on Thorp St is temporarily put on hold.</p> <p>05/02- Mike Van Enter - Thorp Street ped refuge. At 9m wide The road is too narrow. Hill Street ped refuges are at 10m, and they are marginal for cyclists.. 4.2 is the minimum lane width, 1.8m min refuge width.</p> <p>05/02 – Jamie McPherson - Thorp St refuge would be pretty marginal, we have issues with Hill St refuges being</p>	

Proposed 2020/21 Projects	Funds Awarded	Status	Allocated Overseer
		struck by vehicles. An alternative would be raised platform but as Steve notes something like this would be best integrated with the speed management plan and consulted on.	
Picnic Area – Riwaka side of Motueka bridge	\$10,000		
E-bike charge station and bike tools	\$5,000		
Walkway over Tidal Gates – Wharf Road	\$10,000	05/02 - Steve Elkington - Cr Dowler and Steve Elkington met with Jon from Alpha Precast back in November last year. As built drawings of the tidal gate structure were supplied to Jon for developing a design based on a pre-cast slab with hand rail. Speaking with Jon recently, the design is being finalised.	
Town Loops – (Grey power Motueka) – To include social seating.	\$10,000		
Accessible Playground Equipment	\$30,000		
Traffic Calming – Little Kaiteriteri	\$10,000	05/02 - Steve Elkington - Work is currently underway to develop a Speed Management Plan for the entire district. The plan will need consulted on prior to implementing any speed control devices. However, in regards to Martin	

Proposed 2020/21 Projects	Funds Awarded	Status	Allocated Overseer
		<p>Farm Road which now has a 30kph Speed limit, two speed cushions are recommended here, requiring consultation before installing. If the Board is happy to proceed, a flyer will be prepared and presented to the board for approval before community consultation.</p> <p>05/02 - Mike Van Enter - Little Kaiteriteri – I'm not opposed to installing speed humps before the speed limit is lowered. \$10,000 won't install a series along all those roads. Issues with noise are things to be wary of, but I'd be happy to trial a neighbourhood, and learn from the complaints we get, if any.</p> <p>05/02 - The budget will allow for treatment of Martin Farm Rd but I doubt much more. If it does stretch to Rowling Rd and Torlesse then there would need to be consultation with nearby residents. A trial is a good way to approach this, similar to what we are doing on Salisbury Rd.</p>

Hi John

Keep Motueka Beautiful (KMB) have done a lot of work to create a brochure to show walking tracks in Motueka. You can get a copy of this from the Motueka i-site or TDC Service Centre in Motueka, otherwise if you provide an address I can send a map to you.

If you want an electronic copy, could you please contact Isobel Mosely, chair of KMB, and explain what you are wanting to do pandi.mosley@gmail.com They may be happy to work with you to update their brochure to meet your needs.

With regard to businesses subsidising seating, this is a great idea but please be aware that we cannot have advertising or promotional material on reserve land. Roading may have a different perspective for road reserves - Drew could you please advise?

Parks and Reserves frequently work with families to install memorial seats and there might be some options in that regard, although often families have a specific site in mind, and almost always with a sea view!

Kind regards, Lynne

Hi Brent and Tony

We are working on completing a draft of the walking and cycling strategy that we talked with the Community board about in 2019 (before COVID). We will be looking at completing the draft this year for public consultation (also this year). Please be aware, the strategy is for transportation purposes. It does not include recreational trails unless they serve a transport function. The draft is likely to recommend seating assist those with limited mobility, but they will be based on distance on walking routes (likely streets) rather than view.

Regards

Drew

Thank you John for your email.

I have cc'd Lynne Hall, Beryl Wilkes and Drew Bryant into your email hoping that they may be the right Council Officer or whom will certainly know who is in terms of the proposed project.

I do know that Lynne often has request from families for memorial seats so may also have some thoughts on seating.

Regards

Brent

Subject: Motueka walkways

Hi Brent,

Happy New Year to you, and congratulations on the new day job.

Just a quick note preparatory to a more formal note to the Board.

Grey Power would like to be involved in planning a Motueka Walks network - suggesting/creating routes and indicating which were suitable for mobility scooters. We would be happy to work on creating a design for a map of routes as well as suggesting areas for seating along the paths. I understand that you had asked if GP would be interested in soliciting local merchants to subsidise seating. We'd certainly be happy to explore that.

At a recent meeting with the Mayor, he indicated that some of this would dovetail well with the shared path initiative, which has central funding.

I'm assuming somewhere in TDC there is a full map of the footpaths and walkways in Mot (Beryl Wilkes' department?). We'd very much like to get a copy of what is available - an electronic version is fine.

If you can get back to me soon, we'll try to have a submission to the MCB quickly.

Kind regards,

John

Motueka Community Board
tasman district council

25th January 2021

Hon Damien O'Connor
MP for West Coast-Tasman
High Street
Motueka

Dear Damien

Re: Boxing Day Hail Event 2021

As you are aware a key role that the Motueka Community Board undertakes is one of advocacy for Motueka. It is for this reason I write to you and your colleagues.

I am sure that you will have a higher understanding than many of our Board members as to the disastrous event that occurred on the 26th January 2021, throughout the Motueka and Waimea Wards. The damage I am told remains an estimate with early indications suggesting between \$100-\$150mil. As you know our region has been hammered with two cyclones, fires, covid-19 with the rest of the country and now an isolated hail event that on all account has exceeded all prior hailstorms.

The Board is asking in your role as both MP for West Coast-Tasman and as the Minister of Agriculture, Rural Communities and Trade and Export for your support and assistance. I understand that some growers do carry a level of insurance against their crops and that some limited support is available via the Rural Support Trust, however the impact will be far wider and felt throughout the wider community.

Key areas of assistance that we believe will make a difference and allow our community to remain resilient and support a fast recovery are:

- Wage subsidy to ensure growers retain all current permanent staff.

Motueka Community Board

tasman district council

- Wage support to provide seasonal labour where replanting or replacing new crops is supported.
- Business support for those business and private operators that have been adversely affected that are not aligned or supported by a regional or national collective.

We know that you have the best interests of our region at heart and understand that you will have talked with many affected growers and business and are hopeful that some form of central government support is forthcoming.

I am happy to discuss further and please feel free to email me brentmaru@gmail.com or phone 027 285 7075.

Yours sincerely

Dear Brent

Thank you for copying me in to your letter, I am emailing to acknowledge that I've received and read it. I will leave Minister O'Connor to respond formally as both the member for the region and the Minister.

Please be assured that I have been working with businesses affected within my own Electorate of Nelson to support them.

Thanks again for writing.

Best wishes,

Rachel

Hi Lynne,

No is an approved Special Project and is great we can get this underway. Be great to include a photo op with youth councillors when completed.

Thanks Lynne,

Brent

Hi Lynne,

That sounds awesome, great to hear things are moving along nicely.

In terms of the Skatepark the youth council are currently on leave till Feb but im sure they would be happy to help get surveys out to young people.

Regards
Tiegan

Subject: RE: Thorps Bush

Hi Teigan and Brent

Sorry for the delay getting back to you, everything goes a bit haywire for me in December and things fall behind. I have had quotes for the Te Maatu/Thorp Bush playground upgrade as follows:

- New slide - \$1,600

- X3 plastic walls - \$1,962
- Removal and fitting new unit's (including units) \$ 5,043
- To water blast and paint structure (including 100 ltrs of paint , cherry picker hire and security fencing) \$6,510
- **Total cost \$11553**

I have discussed this with my colleagues, and we think we can pick up the difference over and above the 10K that the Youth Council and Motueka Community Board have proposed for the upgrade.

Brent, is there anything that the Community Board needs to know or approve prior to this getting underway? If you are both happy to proceed, I can ask Nelmac to schedule this work for February when the dust has settled a little bit, however, there could be a delay in getting parts unless they are already in the country.

Tiegan, on a separate note.....I am wanting to get things moving along with the skate park upgrade and would like to start consultation very soon. There has been talk about the Youth Council being involved, and possibly a survey or anything else that the Youth Council thinks is a good way to communicate the idea and get some feedback. Would it be possible to have a chat about this and perhaps start thinking about how to get this up and running?

Kind regards, Lynne

Hi Lynne,

Have we got an update on the Thorps Bush playground progress?

Would be great to have a plan asap to send to Youth Council before they go on holiday.

Good afternoon everyone,
 Please see below reply from Bob Cooke and the salt water baths group regarding the updated plan layout to include changing sheds.
 The group are happy with the plan and have also asked for a second cold water shower on the toilet block. I have explained to Bob we will price the additional shower but cannot promise we can fit that into the budget.
 I will now get on with the Resource consent and Building consent applications and get them submitted.

Thanks you for your help

Kind regards

Stephen Richards

Hi Steve,

Thanks for your call this morning and only one comment from the Baths Volunteers.

Most favored an additional cold shower if that could be considered for the new facility. (One each end)

I have had no adverse comments so on behalf of the Volunteers we are in agreement with your outlined plans.

Thanks for all your plans and considerations for our group.

We look forward to working with you with this venture.

On behalf of the pool Volunteers many thanks.

Regards

Bob Cooke.

Tēnā koe Tim

Tēnā rawa atu koe ki i runga i o tātou tini aitua kua wheturangitia. Kei te mihi atu, kei te tangi atu. Rātou te hunga mate ki a rātou, tātou te hunga ora ki a tātou. Tēnā ano tātou katoa.

I am writing to update you on the recent Government decision to make changes to the process for local authorities to establish Māori wards.

As you may know, concerns have been raised for some time about the existing process for the establishment of Māori wards and constituencies in local authorities. In particular, there are issues with the inconsistent process for establishing Māori and general wards, the way the process creates barriers for councils seeking to establish effective Māori representation, and the negative impact of elector-initiated polls on communities.

As I signalled last year, I am planning to introduce a Bill to remove the binding poll option from the process for establishing Māori wards and constituencies (including both council-initiated and elector-demanded polls). The Local Electoral (Māori Wards and Māori Constituencies) Amendment Bill (the Bill) will be introduced into Parliament in early February 2021 and enacted under urgency so that the changes can apply for decisions leading up to the 2022 local elections.

All councils that do not already have Māori wards or constituencies in place will have the opportunity to consider establishing these for the 2022 local elections. Any resolution to do this would need to be made by 21 May 2021. However, I acknowledge that the formula in the Local Electoral Act 2001 for calculating the number of Māori and general members means this will not be a feasible option for some councils to consider.

The changes to Māori ward and constituency processes in the Bill are an immediate step to support decision-making for the 2022 local elections. Once the Bill is enacted, I intend to make further improvements to the processes for the 2025 and subsequent local elections. My officials at the Department of Internal Affairs will be undertaking work on this, including consultation with the local government sector and iwi/ Māori, over the coming months.

Motueka Community Board Accountability Form

Name of Organisation: Motueka Women’s Support Link

We, being Officers/Accountant of the above organisation hereby certify that we received a grant from the Motueka Community Board Discretionary Fund.

The grant was spent as follows and we attach evidence of expenditure (receipts, invoices or statement signed by the organisation):

<u>Paint and paint brush kit</u>	<u>\$139.01</u>
<u>Blinds</u>	<u>\$420.00</u>
<u>_____</u>	<u>\$ _____</u>
<u>_____</u>	<u>\$ _____</u>

Amount allocated: \$450.00

Amount unspent: \$ n/a

With this grant we were able to deliver the following benefits to the community:

Paint our counselling room and purchase new blinds. The room used to look tired and had shabby blinds and furniture. Now the room looks so fresh and pleasant. We include some photos for you to see. We provide counselling to vulnerable women in Motueka and surrounding areas, they may be experiencing family violence and abuse, grief, isolation and depression. We provide approximately 10 to 15 hours of counselling per week.

Name and signature:

Signature: *M Innocenti*

Position: Administrative Office Coordinator
