ON BEHALF OF THIS COMMUNITY BOARD:

CBEC CANDIDATE BIOS – ZONE 5

Sharn Nu'u

I have a background in Research and Development as an analyst in the Technology Industry. For the past year I have been focussed on community initiatives in a voluntary capacity.

It is most important to me as an individual and a member of a small rural community to see decision making being brought back to the community members. This is not something I foresee as possible without every support possible for local government including township committees and local boards advocating to local governments on behalf of the people.

My goal is to raise awareness of local support to the people, provide the best possible advice and support and relight the fire in the hearts of public servants.

Simon Britten

I am seeking election to represent Zone 5 of the Community Boards Executive Committee in order to support community board members across our region.

About me: I am a second-term member of the Waipapa Papanui-Innes-Central Community Board in Christchurch. I also run a community engagement initiative which aims to strengthen the connection between the local community and local government, and since 2011 have worked for Te Ora Hou Ōtautahi, a youth and community development organisation with a long history in the area. I have some familiarity with the Zone through a different lens - for the past ten years I have been working across the same geographic area in my role managing Te Ora Hou's regional school attendance service.

Previously I worked for Tait Communications in marketing management. I have served on boards including a church community trust, Pillars, and my local intermediate school's Board of Trustees. I was a Vodafone Foundation World of Difference recipient while establishing a youth employment programme, and have completed two Canterbury University courses for leaders in the community sector. I value a diverse and connected community that cares for all its members, and am passionate about continuing to make a contribution through local government. www.simonbritten.com

Ross Munro

As a second-term Member of the Pleasant Point Community Board in Timaru District I've gained a strong understanding of the value of grassroots representation in local government.

I am looking to build on what I've learnt over the past three-years to ensure local communities continue to have a voice, which I believe is vital to ensuring we see councils that are responsive and focused on all their communities, not solely the needs of the largest centres.

I have many years of Banking, Business, Sports coaching and Governance skills to bring to the table that I can help not only serve my Community, but also the wider Community Board Group.

I am employed by BNZ as a Business Partner and my wife and I have three children aged 18, 21 and 22.
