

Resource Consent Application to Apply Oil to Metal Roads and Application for Permission to Apply Oil to Tasman District Council Road

Please read and complete this form thoroughly and provide all details relevant to your proposal. Feel free to discuss any aspect of your proposal, the words used in this form or the application process with Council staff, who are here to help. Ph. 03 543 8400 and ask to make an appointment with the Duty Planner.

Attached at the rear of this form is a list of information requirements. You should check through this list and use it as a guide for completing this form. Of course not all the information listed is necessary for every application.

A deposit in accordance with the Tasman District Council's schedule of charges is required to be paid with the application.

In terms of Section 36 of the Resource Management Act 1991, further charges may be imposed to recover actual and reasonable costs in processing the application. Likewise, if actual costs are less than the deposit a refund will be made.

This application will be checked before formal acceptance. If further information is required, you will be notified accordingly. When this information is supplied, the application will be formally received and processed further.
