

## AGENDA

**TITLE:** Tasman District Council  
Environment & Planning Subcommittee  
**DATE:** Monday, 22 February 2010  
**TIME:** 9.30 am  
**VENUE:** Motueka Service Centre, 7 Hickmott Place, Motueka  
**MEMBERS:** Cr N Riley (Chair), Crs E Wilkins and J Edgar

### TIME

9.30 am Onwards:

**Application No. RM090826 Network Tasman Limited, Swamp Road, Riwaka**

#### **Notice of Requirement for Designation for Electricity Substation Purposes (Application RM090826)**

The proposed works involve construction and operation of a 66kV electricity substation within a building up to 10 metres high.

The application seeks a lapsing period of 15 years after the date on which the designation is included in the Tasman Resource Management Plan.

The application site is located at 123 Swamp Road, Riwaka, being legally described as Lot 3 DP 19345, CT NL11C/1072.

This land is subject to subdivision consent RM070915 currently in the process of new title issue. The land is shown on LT 406152 as Lot 5 comprising 16.76 hectares. The proposed substation site is 6330 square metres shown as Lot 1 on the designation plan.

### **Submissions:**

S and K Hendren, K and L Hay, Historic Places Trust, Little Sydney Mining Company Limited.
