

## AGENDA

**TITLE:** Tasman District Council  
Environment & Planning Subcommittee  
**COMMISSIONER HEARING**

**DATE:** Monday, 1 March to Friday, 5 March 2010

**TIME:** 10.30 am

**VENUE:** Conference Rooms, Motueka Top 10 Holiday Park  
10 Fearon Street, Motueka

**COMMISSIONERS:** Dr Jeff Jones (Chair), Mr Warwick Heal and Ms Emma Christmas

### TIME

**10.30 am Onwards:** Application No. RM070187 Tasman District Council  
(Engineering Services Department)

The application seeks to take and use up to 20,000 cubic metres of groundwater per day at a maximum instantaneous rate of 310 litres per second (average rate of 231 litres per second) for the purpose of community water supply. The groundwater would be abstracted from the Central Plains Zone of the Motueka-Riwaka Plains Aquifer using a wellfield consisting of up to nine bores, eight of which would be used and one would be a back-up.

The water will be used to supply the townships of Motueka, Riwaka, Tasman Village, Mapua/Ruby Bay, and for rural areas surrounding these townships, including land now zoned Rural 3 under the proposed Tasman Resource Management Plan (TRMP).

The activity is a non-complying activity according to the TRMP.

The application site is located at 22 Parker Street, Motueka, being legally described as Lot 1 DP 374788, CT 301414.
