

Application for Special Assessment of Development Contributions

This form should only be used if you wish to have a special assessment of Development Contributions (DCs) for a building consent or resource consent project.

As per Section 55 of Tasman District Council's 2024-2034 Development Contribution Policy, a special assessment for Industrial, Commercial and Retail developments can be considered when:

- a) the development is considered to be relatively large scale or high use in comparison to other similar developments; or
- b) the development is likely to have less than half or more than twice the demand for an activity listed in Table 8 for that development type.
