TASMAN DISTRICT LICENSING COMMITTEE

Decision No. SP2070

IN THE MATTER

of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER

of an application by **Nelson Bays Tennis Association** for a Special Licence pursuant to Section 138 of the Act in respect of premises situated at Gladstone Road, Richmond known as Tasman Tennis Club and Main Road Hope, Richmond known as the Hope Tennis Club,

BEFORE THE TASMAN DISTRICT LICENSING COMMITTEE

Chairperson: Cr Brian Ensor

DECISION

The general nature of the events to be held are those of after games socialising.

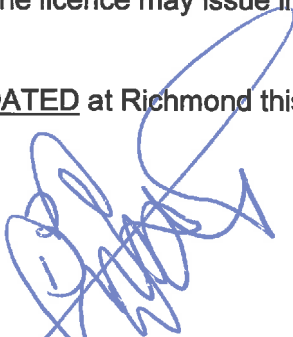

Reports were received from the Licensing Inspector, the Police and the Medical Officer of Health and no matters in opposition were raised. Accordingly we deal with matter on the papers.

We are satisfied as to the matters to which we must have regard as set out in Section 142 of the Act, and we grant the applicant the Special Licence sought. A copy of the licence setting out the conditions to which it is subject is attached to this decision.

We make the observation that applications for special licences are required by section 137 of the Act to be filed with the District Licensing Committee's secretariat at least 20 working days before the day on which the event concerned begins. In this case, that requirement has not been met, there being only 15 working days between the time of application and the proposed event. Section 137 (2) of the Act allows us to consider an application for a special licence that is filed inside 20 working days prior to the event if we are satisfied that the need for a special licence could not have been foreseen earlier. This has not been the case for this application with the failure to apply in the prescribed time appearing to be a matter of neglect or omission. However, the secretariat and inspector, with the co-operation of Police and the Medical Officer of Health, have been able to complete the required reports at short notice. We are satisfied that the neglect or omission was not wilful, so pursuant to section 208 of the Act waive the requirement relating to the prescribed time for lodgement of the application.

The licence may issue immediately.

Chairperson: Cr Brian Ensor

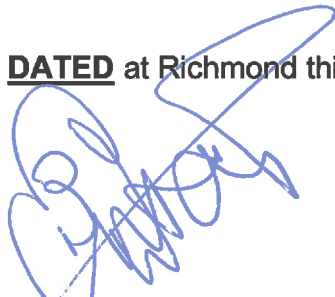

DECISION

This is an application by Greta Enterprises Limited for renewal of an off-licence in respect of premises situated at 22 Edward Street, Wakefield, known as "Wakefield Supermarket".

The application was publicly advertised and there were no objections. Reports were received from the Licensing Inspector, the Police and the Medical Officer of Health and no matters in opposition were raised. Accordingly we deal with matter on the papers.

As this is the first renewal of this licence since the introduction of the Act it is necessary to describe an area within the premises as a permitted area for the display and promotion of alcohol in accordance with Section 112. This area is the area shown in yellow on the plan submitted with the application.

In accordance with Section 115 the licensing committee may allow the licensee a period of time to enable the premises to be reconfigured to comply with the new single-area condition. The applicant has indicated that a three month period will be adequate to allow the necessary changes to the configuration of the store to be made.

We are satisfied as to all other matters to which we must have regard as set out in s.131 of the Act and grant the application with the condition that the single-area will take effect as of 28 February 2015.

DECISION

This is an application by Sharon Jane Williams for a Manager's Certificate. Reports have been received from the Police and the Licensing Inspector and no matters were raised in opposition. Accordingly we shall deal with the matter on the papers.

It is noted that the applicant has little or no experience in the sale of alcohol from "On" licence premises, so it is agreed between the applicant and the Tasman District Licensing Committee that the function of Manager will only be undertaken in "Off" licence premises. This limitation may be reviewed by the Tasman District Licensing Committee and removed as soon as suitable experience is obtained by the applicant.

We are satisfied that the applicant meets the criteria as set out in s.222 of the Act and grant the application accordingly. The Manager's Certificate may issue immediately.
