DECISION

The general nature of the event to be held is that of a tournament and social event.

Reports were received from the Licensing Inspector, the Police and the Medical Officer of Health and no matters in opposition were raised. Accordingly we deal with the matter on the papers.

We are satisfied as to the matters to which we must have regard as set out in Section 142 of the Act, and we grant the applicant the Special Licence sought. A copy of the licence setting out the conditions to which it is subject is attached to this decision.

We make the observation that applications for special licences are required by section 137 of the Act to be filed with the District Licensing Committee's secretariat at least 20 working days before the day on which the event concerned begins. In this case, that requirement has not been met, there being only 18 working days between the time of application and the proposed event. Section 137 (2) of the Act allows us to consider an application for a special licence that is filed inside 20 working days prior to the event if we are satisfied that the need for a special licence could not have been foreseen earlier. This has not been the case for this application with the failure to apply in the prescribed time appearing to be a matter of neglect or omission. However, the secretariat and inspector, with the co-operation of Police and the Medical Officer of Health, have been able to complete the required reports at short notice. We are satisfied that the neglect or omission was not wilful, so pursuant to section 208 of the Act waive the requirement relating to the prescribed time for lodgement of the application.

The licence may issue immediately.

DECISION

This is an application by Rebecca Helen Hodgkinson for a renewal of a Manager's Certificate. Reports were received from the Licensing Inspector and the Police, and no matters in opposition were raised. Accordingly we deal with the matter on the papers.

The applicant holds the prescribed qualification required by s.218 of the Sale and Supply of Alcohol Act 2012, and we are satisfied as to the other matters to which we must have regard as set out in s.227 of the Act.

It is noted that the applicant has little or no experience in the sale of alcohol from on-licence premises, so it is agreed between the applicant and the Tasman District Licensing Committee that the function of Manager will only be undertaken in off-licence premises. This limitation may be reviewed by the Tasman District Licensing Committee and removed as soon as suitable experience is obtained by the applicant.

We grant the application for a renewal of a manager's certificate pursuant to s.228 of the Act. In accordance with Practice Statement LIQ/ADM 1 issued under s.176 of the Act a new certificate will issue which will expire on **6 November 2019** unless again renewed.
