

EXTENT OF EXISTING LANDSCAPE TO BE RETAINED & REINSTATED TO EXISTING CONDITIONS

New gardenbeds with concrete kerb to carpark. Planting to tie in with existing planting scheme. 6x Titoki specimen trees planted as shown. Trees to be limbed to 1.5m to allow for visibility maneuverability.

Retain existing planting and pathways. Reinststate pathways and planting pre-construction conditions.

GRAVEL CHIP TO CARPARK SURFACE

Retain existing planting

2x Mobility carparks.

Proposed path to marry into existing paths and boat ramp connection. Aggregate stone to match existing path surfaces.

Resurface existing pathway

WATERFRONT SEATING
Retain existing seating and replace seating that needs to be removed for ramp. Reinststate pedestrian access via board-walk from Boat ramp down to Waterfront/Jetty

PROPOSED PETANQUE COURT
- 4.0m x 15.0m

CONCRETE BOAT RAMP

CONCRETE BOAT RAMP

BARRIER ARM

2.0m SWALE
EXISTING VEGETATION

Retain existing vegetation

Beach access

PETANQUE COURT
Relocated Petanque Court - 4.0m x 15.0m. Option for pergola or sunshades for picnic tables to form communal area - indicatively shown.

4.0m Native Coastal planting buffer between Picnic area and Boat ramp. Planting to tie in with original planting scheme. Proposed planting to include:
Phormium tenax / Harakeke Flax
Cortaderia Richardii / Toetoe
Pittosporum varieties
Griselinia varieties
Coprosma varieties
Chionochloa flavicans
Muelenbeckia astonii

PROPOSED BOAT RAMP
Two-way vehicle access with control arm. Turning bay for trailers. Refer to Engineers Plans for boat ramp details.

LEGEND

-  **CONCRETE BOAT RAMP**
Broom finished surface to concrete for non-slip boat ramp launching area. Refer to Engineers specifications.
-  **AGGREGATE STONE**
Compacted aggregate stone -seashell or Riwaka Gold. Surface to blend in with existing aggregate surfaces used. Resurface areas where needed.
-  **TIMBER BOARD WALK**
Proposed to blend in with existing boardwalks. Refer to Engineers specifications.
-  **SHORELINE**
