

Elected Members Attendance

The below information shows Elected Member attendance for the 2022-2025 triennium at meetings of the Tasman District Council and the three standing committees: Environment and Regulatory, Operations and Strategy and Policy for the 2022-2025 triennium. This includes both ordinary (scheduled) and special (convened at short notice) meetings up to 30 September 2024.

This data is a summary of publicly available information collated from [meeting minutes](#) and does not show late arrivals, partial absence during meetings or early departures.

All councillors are members of each of the standing committees.

Apologies or absences from meetings during the period reflected may be from prearranged leave, illness, bereavements, or absence on other Council business.
