

This shed was built soon after the new road was put through.

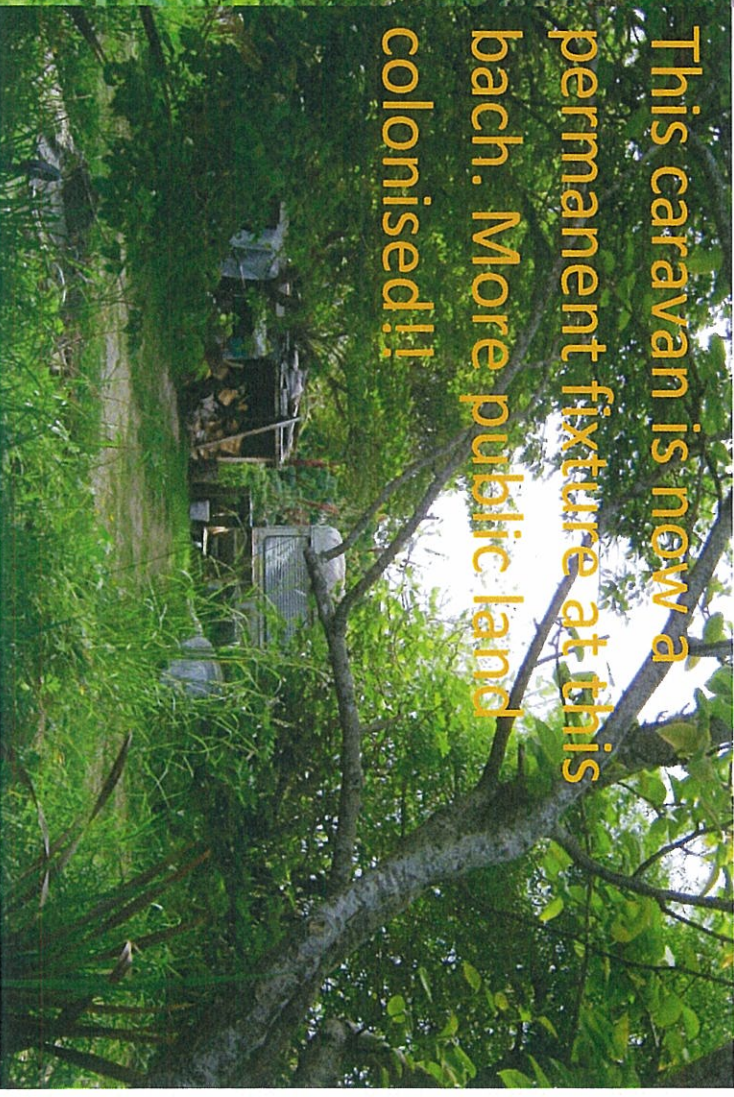

Permission to build!

It is stated in their licence **“the licensee will not erect any buildings on the said land without the prior consent of the licensor”** This shed is built on the **other side of a stream 20m from their back.**

Where in the Licenses to Occupy does it say that land, stream and beach accesses can be occupied in this way. **Foot print of the original buildings only!!! More public land colonised.**

A water tank placed 15m from the back on public land. Trees were cut! A digger was used no thought was given to the archaeological significance of the land. **More public land colonised!!!**

**This caravan is now a permanent fixture at this back. More public land colonised!!**
