

Petition on proposed Takaka Wastewater Treatment Plant

We, the undersigned Takaka residents, call on the Tasman District Council to drop the proposed site for the Takaka Sewerage Plant extension and consider a different location for the following reasons:

1. To reduce the risk of contamination of our water bar
2. To reduce the impact of obnoxious odours
3. To avoid the creation of additional flood risk to our home
4. To keep it out of sight + close proximity to the Feary Crescent public reserve.
