

INFORMATION AND PUBLICITY CHAIRPERSON'S REPORT – JUNE 2007

Change of name to Communications sub Committee

You will recall that in April we asked staff to prepare a short report to the Corporate Services Committee recommending a change of name for this sub committee to better reflect the nature of what we do. As Corporate Services has not held a general type meeting since this date, we have been unable to get the matter on the agenda. However the matter has not been lost sight of and the staff report will be on the next Corporate Services agenda.

Newsline the Mag

With the unexpected hospitalisation of the chief writer of Newsline articles, I have noticed that we are receiving all the drafts of the articles in one go. Is it possible to receive these progressively like we used to as it makes it so much easier especially when we strike busy periods like we have of late? Barbara who has taken over the writing from Annabel is doing an excellent job.

Thanks

As this is David Ward's last meeting I would like to record the sub committee's thanks to him for his years of work in ensuring that we are up with the play in the communications field. David has been the driving force behind so much of our work and he will be missed. Thank you David.
