

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
38248	11/08/10	Glenaven Drive, Motueka	Retention ponds in Glenaven Drive do not drain properly after heavy rain. The drain is higher than the surrounding land and the land needs raising up to the same level to enable the water to disappear.		Waiting for cooler weather (probably April) to spread soil and allow for better seed strike		DO
10362	8/11/10	2A Greenwood Street	Carpark has a lot of weeds and litter in it. Mr Ogilvie would like this area marked with carparking spaces		Weeds and detritus have been cleared. Marking to be completed by 30 April		DO
11438	20/12/10	52 Tudor Street	Sealing repairs required outside 52 Tudor Street. A temporary job was done some weeks ago. But the seal has deteriorated		Programmed and should be completed by end of April. Part of network repairs		DO
11439	20/12/10	Old Wharf Road	Sealing repairs required at the northern end of Old Wharf Road, east of Thorp Street		Potholes/edge break completed. Other pavement repairs added to programming	1/04/11	DO
11441	20/12/10	Wilkie Street	Seal Repairs required on Wilkie Street, south of Parker Street intersection, to Fry Street		Crack seal to be completed during sealing season in April		DO
40594	9/02/11	Old Wharf Road	Guard rail on the edge of Thorp Drain between Goodman Park and 76 Old Wharf Road is covered in algae and needs cleaning		Passed to MWH 09/02/11. With contractor and should be completed by mid May.		PH
41006	15/03/11		There is a narrow walkway from the end of anarewa Crescent through to the TDC reserves that needs to be cleared and signposted.		with Glenn Thorn		DO
13516	20/04/11	Pah Street	Would like 60 minute parking restriction in Pah Street, from Bennett Street to High Street. Apparently cars park there all day and inhibit people wishing to visit library or Parklands School. This would be in keeping with Tudor, Wallace and Greenwood Streets.		With Steve Elkington at TDC to look at		DO
13517	20/04/11	King Edward Street	Needs to be a left turning bay from King Edward Street into High Street.		Not enough width in road to action this.		DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
13518	20/04/11	Motueka	Mr Ogilvie would like the contractors to do a weekly drive around the Motueka township area to check on signs. There are always signs needing straightening or turning around.		They do already. A reminder was sent to contractors.		DO
13519	20/04/11	Main Road Lower Moutere	The cycle lane alongside the Moutere Highway is badly corrugated between the Lower Moutere School and the Lower Moutere shop. Could the surface be smoothed, as cyclists are using the roadway along this stretch because of the corrugations		Sent to contractor to action		DO
13520	20/04/11	High Street and Courtney Street corner	In a previous request it was asked for a sign to be erected on the corner of High Street and Courtney Street directing people to the Jack Inglis Hospital. The reply received was that the hospital did not want the sign. At the Community Board meeting in April Cr Jack Inglis stated that a sign would be acceptable as long as it was worded "Jack Inglis Friendship Hospital"		With Steve Elkington at TDC as this wording will not fit on normal signboard. Will need special sign and will need to go by Transit as well		DO
