

## STAFF REPORT

**TO:** Councillors

**FROM:** David Lewis, Environmental Health Officer

**REFERENCE:** B951

**SUBJECT:** **REPORT LIQUOR BAN FOR SPECIFIED EVENT, JUBILEE PARK-EP06/01/02** - Report Prepared for 26 January Full Council Meeting

---

### 1. BACKGROUND

A youth outdoor music and entertainment event is to be held at Jubilee Park on Sunday, 29 January 2006 between 4.00 pm and 9.00 pm. Although this has been advertised as liquor-free, the Police have requested a liquor ban be put in place for this event to give them the powers to prohibit the bringing of liquor on to the park or from consuming it.

### 2. COMMENT

The Bylaw permits Council by resolution to impose such a ban for specified events and it is considered appropriate that a ban be in force for this event. Unfortunately, the ban had to be publicly advertised 14 days prior to the event and this meant that action was required before the Council meeting. It is therefore requested that Council ratify this action taken by adopting the following resolution:

That pursuant to Section 7.1 of the Tasman District Council Consolidated Bylaw Chapter 3 (Control of Liquor in Public Places) the Tasman District Council hereby resolves to ratify the prohibition to consume liquor on or to bring liquor onto Jubilee Park and the Skateboard Park between the hours of 3.00 pm and 10.00 pm on Sunday, 29 January 2006.

### 3. RECOMMENDATION

That this resolution be ratified.

David Lewis  
**Environmental Health Officer**
