**DATE:** 26 April 2007  
**SUBJECT:** Chief Executive's Report

---

I am pleased to advise Councillors that Mr Murray Staite has been appointed to the position of Corporate Services Manager for the Tasman District Council.

Mr Staite is currently the Council's Accounting Manager, and he has the skills and experience to replace Mr David Ward who will be leaving the Council on 22 June 2007 to take up the role of Chief Executive of the Horowhenua Council.

Mr Ward has been employed by the Tasman District Council for many years, and we wish him the best of good fortune in his next position.
