

REPORT

TO: Councillors
FROM: Mayor
REFERENCE: C780
DATE: 13 June 2007
SUBJECT: Mayor's Report for June

WALKWAY

I attended the opening of the Motueka Inlet Walkway as reported in Newline. This project is another by Keep Motueka Beautiful who have worked on a very difficult, almost hopeless site and turned it into a most creditable community asset.

Full marks to Keep Motueka Beautiful.

ROWING FUNCTION

Nelson Rowing recently held a fundraising function which was very successful; providing approximately \$15,000.00 towards the travel of three rowers from Tasman/Nelson who are at present training almost fulltime for Beijing.

MOTORCROSS

I keep an eye on Josh Coppins' results at Motorcross in Europe. He now has a good points lead towards succeeding in the World Championship.

OTHER

Not a lot to report oddly, because we have all been so busy with Hearings and receiving Annual Plan submissions.

My thanks to Councillors who have done the hard yards through all of this. The participation is appreciated.

John Hurley
