REFERRAL FROM COMMITTEE

Report to: Full Council
Meeting Date: 6 September 2012
Report Author: Robert Cant, Senior Property Officer
Subject: **Referral from Community Services Committee – Proposal to Change Reserve Classifications of Parts of Tapawera and Brightwater Reserves**

SUMMARY

On 23 August 2012, the Community Services Committee considered a proposal to change the reserve classifications for parts of two reserves. The Reserves Act 1977 requires a “resolution of the local authority” before the matter is considered by the Minister of Conservation. The Committee, therefore, resolved as follows, to:

- 1 Receive the Brightwater and Tapawera Change of Classification Report; and**
- 2 Accept the submission from the Brightwater Recreation Reserve Management Committee that the area of the reserve to be re-classified as local purpose (community buildings) reserve, be the area of land currently being occupied by the kindergarten, as outlined within the red line in Appendix 2 of the report.**
- 3 Recommend to Council the proposed changes of classification of the portion of the Tapawera Recreation Reserve as shown in Appendix 1 of the report and the portion of the Brightwater Recreation Reserve as shown in Appendix 2 of the report from recreation to local purpose (community buildings) reserve under Section 23 of the Reserves Act 1977; and**
- 4 Recommend to Council that it requests that the Minister of Conservation approves the change of classification, as outlined in 3 above, under Section 24 of the Reserves Act 1977.**

The decision of the Committee to purchase the land was then made public. The Full Council is now requested to adopt the decision of the Community Services Committee.
