

# **STAFF REPORT**

**TO:** Community Services Committee  
**FROM:** Administration Advisor  
**DATE:** 8 June 2005  
**SUBJECT:** Motor Sports Questionnaire

---

## **PURPOSE/REASON FOR REPORT**

To update the committee on the response received from motor sports groups/clubs regarding facilities for their events.

## **BACKGROUND**

At the 17 March 2005 Community Services meeting, members considered a report from the Community Services Manager with regard to sporting facilities for drag racing and petrol sports. The Committee resolved that further information be sought from the motor sports groups on their existing membership, events, facilities and their future requirements.

## **COMMENT/DISCUSSION**

A questionnaire was sent out to 36 groups requesting them to return such by 31 May, to which 19 groups have responded to date. A summary of their comments is attached.

## **RECOMMENDATION**

That a meeting of representatives from motor sport groups and appropriate councillors be convened to discuss their future facilities requirements for the Nelson/Tasman area.

Sandra Hartley

## Results for Motor Sport Questionnaire

Organisation	Number of active members	Number of non-active members	Number of events	Organisation own any existing facilities?	Facilities required	Advantage of having motor sharing facilities?	Worthwhile to have a meeting of representatives?
