

STAFF REPORT

TO: Grants and Community Facilities Rate Subcommittee
FROM: Mike Tasman-Jones
DATE: 11 May 2010
SUBJECT: Golden Bay Tennis Club – RCS10-05-01

REASON FOR THE REPORT

The Golden Bay Tennis Club have requested an extension of the period to account for funds from SPARC Rural Travel Grant of \$1,000 received October 2009.

BACKGROUND

Recipients of grants from the October 2009 round of the SPARC Rural Travel Fund are required to account for funds by 30 June 2010.

DISCUSSION

The Tennis Club have discussed with the Community and Recreation Advisor the fact that they will not have fully spent the funds allocated by the end of the reporting period. They were advised that they would need to request an extension in writing. This has now been received. It is suggested that the request is reasonable and that the funds will be used for the purpose of travel for junior members travel to competition.

RECOMMENDATION

That the Grants and Community Facilities Rate Subcommittee extend the reporting period for the Golden Bay Tennis Club's SPARC Rural Travel Grant of \$1,000 received October 2009, to 30 June 2011.
