SUBJECT: **STATISTICAL DATA FOR THE PERIOD APRIL TO JUNE 2005 – REPORT EP06/02/058** - Report Prepared for 15 February 2006 meeting

1. INTRODUCTION

The attached report reflects in graphic form the number of applications received and decisions made by the department during the three month period September to December 2005.

2. RESOURCE MANAGEMENT

The number of applications for resource consent received have declined slightly over the 2004 / 2005 reporting year (584 applications, compared with 666). Staff processed an average of 67% of consent applications within the statutory timeframe.

3. REGULATORY

The 2005 / 2006 reporting year has seen the continuing decrease in Building Consent application numbers. The largest decrease in application numbers has been in applications for new dwellings over the 2003 / 2004 reporting year (138 applications, compared with 192). As indicated at the previous Environment & Planning Meeting, I have included a graph depicting the number of applications and decisions made for Certificates of Acceptance.
