STAFF REPORT

TO:	Council Enterprises Subcommittee
FROM:	Executive Officer
REFERENCE:	A303
DATE:	18 April 2005
SUBJECT:	Executive Officer's Report

AIRPORT MAINTENANCE CONTRACT

MWH (New Zealand) Ltd are progressing with this and the three year contract should be released for tender in May 2005.

FINANCIAL STATUS

The financial report to March 2005 is attached. The Subcommittee will notice that rentals income is down from what is reported in the February financials. This is because the offset of the rates expense against the rental income in February was not completed when the February financial report was produced. The offset has been done for March.

NELSON DRAG RACING ASSOCIATION

A request from Nelson Drag Racing Association (attached) has been received to make tentative bookings 2005/06. The NDRA understand that final approval to hold the Drag Race Meetings will be subject to meeting all of Council's criteria, conditions and agreements.

Recommendation

That the Council Enterprises Subcommittee approve the tentative bookings for Nelson Drag Racing Association for 2005/06, but reserve the right to cancel the bookings should the Nelson Drag Racing Association not meet all the criteria, conditions and agreements.

H & J M JURKE – NOISE COMPLAINT

A letter has been received from Mr and Mrs Jurke (attached) about aircraft noise. A reply from the Environmental Health Officer, Mr David Lewis, is also attached. This letter and report was sent to the Motueka Community Board who has made the following recommendation:

Moved A C Fry/C R Satherley
MK05/04/04

THAT the letter from H and J M Jurke, along with the Environmental Health Officer's report, be referred to the Council Enterprises Subcommittee for their information, but advise that the Motueka Community Board does not support the intent of the letter received
CARRIED

D Blake
Executive Officer
