

# STAFF REPORT

**TO:** Chairman & Members, Corporate Services Committee

**FROM:** Richard Kempthorne

**DATE:** 10 October 2005

**SUBJECT:** Motorbike Code of Practice

---

Following the initial presentation to the Resource Management Policy Committee of the original proposed Code of Practice for Recreational Use of Motorbikes, the subcommittee delegated to look at the issue has made recommendations to the terms of the Code of Practice.

The details of the revised Code of Practice are attached for consideration at Corporate Services Committee on Thursday 13 October 2005.

It is hoped that if adopted, this Code of Practice will be trialled for a four month period.
