

REPORT

TO: Communications Subcommittee
FROM: Noel Riley
DATE: 2 April 2008
SUBJECT: **Chairperson's Report**

Good morning and welcome

Firstly, regrettably this will be the last time I chair this subcommittee. I have assessed my Council and personal obligations and have decided to reduce my work and travel loads.

As I have stated in the past, this subcommittee is a very important one because of its many faceted role in keeping the residents and ratepayers of Tasman District fully informed on all matters relating to, and occurring in, Tasman District.

Naturally, I wish the new Chairperson all the best along with the subcommittee and look forward to reading the future strategic plan, as it develops.

Regards

Noel Riley
Chairperson
