

TO: Chairman & Members, Communications
Subcommittee

FROM: Murray Staite

DATE: 10 September 2008

SUBJECT: **2008/2009 Community Consultation Grants**

Attached to this report is a copy of a letter forwarded to community organisations detailing criteria against which applications for 2008/2009 Community Consultation Grant applications will be considered, a copy of responses received and a schedule detailing requests against 2007/2008 allocations.

Prior to considering those applications received, the Subcommittee will first review the criteria and satisfy themselves that these are still relevant for the 2008/2009 financial year.

For the 2008/2009 year a new application for \$1,300 was received from the Mapua and Districts Business Association. Further information is being sought to support their application and this will be tabled at the meeting on 24 September 2008.

If Subcommittee members have any information requests in relation to any of the applicant organisations, would you please contact me prior to today's meeting in order that I can obtain the necessary information.

Financial records submitted by applicant organisations have been retained by myself on the basis of confidentiality.

RECOMMENDATION

That community consultation grants for the 2008/2009 financial year be allocated as detailed on the schedule attached to this report.
