

REPORT

TO: Members, Communications Subcommittee

FROM: Cr E J Wilkins, Chair

REFERENCE: C797

SUBJECT: **Chair's Report – RFN10-01-01**

Welcome to our first meeting for 2010. I hope everybody had an enjoyable break. The workshop the subcommittee had with Murray before Christmas was definitely worthwhile and gave a good oversight as to what will happen in the next few months. I will be interested to hear any feedback from the A&P shows from people who attended.

Recommendation

That the Chair's Report – RFN10-01-01 be received.
