

STAFF REPORT

TO:

FROM: Service Centre Manager

REFERENCE: E855

DATE: 1 February 2005

SUBJECT: February 2005 Report

ENGINEERING SERVICES

Tourism Subsidy Scheme

Attached for information and discussion by the board, is a copy of the Tourism Subsidy Scheme report put to the 20 January 2005 Engineering Services meeting. At that meeting, part (b) of the recommendation was *“b) staff determine other potential areas where this subsidy could be applicable and make the appropriate application.”*

RAPID Numbering – Road Name Changes

For the information of the board, the Engineering Services Committee of 20 January 2005 discussed a report on Rapid Numbering and approval was given to proceed with a public consultation process to delete road names on unformed roads in Golden Bay and for two sections of SH 60 to be given local names. This is in line with the recommendation to Council by the board.

COMMUNITY BOARD

Community Board Delegations

In response to a couple of queries from board members regarding the date the “Working Party” will be meeting to discuss and investigate ways to enhance responsibilities of the two boards, at this stage I am waiting for confirmation of the meeting date. I will follow this up with the Chief Executive and I hope to be able to give a reply at this meeting.
