

STAFF REPORT

TO: Golden Bay Community Board
FROM: Community Services Manager
REFERENCE: G606
SUBJECT: **RGB11-05-03** - Report prepared for meeting of 10 May 2011

Attached is a copy of the report that went to the Community Services Committee on 5 May 2011, which recommended that the request for funds by the Golden Bay High School be approved and that this decision be ratified by the Golden Bay Community Board.

I will update the Board at the meeting on the outcome of the Community Services meeting.

Should the Community Services Committee adopt my recommendation, then the Board will need to consider the proposed resolution in the attached report and decide whether they are prepared to ratify this resolution.
