38248	11/08/10	Glenaven Drive, Motueka	Retention ponds in Glenaven Drive do not drain properly after heavy rain. The drain is higher than the surrounding land and the land needs raising up to the same level to enable the water to disappear.		Waiting for cooler weather (probably April) to spread soil and allow for better seed strike		DO
10362	8/11/10	2A Greenwood Street	Carpark has a lot of weeds and litter in it. Mr Ogilvie would like this area marked with carparking spaces		Not yet marked, contractor instructed to action ASAP		DO
11438	20/12/10	52 Tudor Street	Sealing repairs required outside 52 Tudor Street. A temporary job was done some weeks ago. But the seal has deteriorated		Completed		DO
11441	20/12/10	Wilkie Street	Seal Repairs required on Wilkie Street, south of Parker Street intersection, to Fry Street		Completed		DO
40594	9/02/11	Old Wharf Road	Guard rail on the edge of Thorp Drain between Goodman Park and 76 Old Wharf Road is covered in algae and needs cleaning		Passed to MWH 09/02/11. With contractor and should be completed by mid May.		PH
41006	15/03/11		There is a narrow walkway from the end of anarewa Crescent through to the TDC reserves that needs to be cleared and signposted.		Parks and Reserves team looking at options for this walkway		DO
13516	20/04/11	Pah Street	Would like 60 minute parking restriction in Pah Street, from Bennett Street to High Street. Apparently cars park there all day and inhibit people wishing to visit library or Parklands School. This would be in keeping with Tudor, Wallace and Greenwood Streets.		With Steve Elkington at TDC to look at		DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
13519	20/04/11	Main Road Lower Moutere	The cycle lane alongside the Moutere Highway is badly corrugated between the Lower Moutere School and the Lowere Moutere shop. Could the surface be smoothed, as cyclists are using the roadway along this stretch because of the corrugations		Contractor to sweep surface		DO
13520	20/04/11	High Street and Courtney Street corner	In a previous request it was asked for a sign to be erected on the corner of High Street and Courtney Street directing people to the Jack Inglis Hospital. The reply received was that the hospital did not want the sign. At the Community Board meeting in April Cr Jack Inglis stated that a sign would be acceptable as long as it was worded "Jack Inglis Friendship Hospital"		With Steve Elkington at TDC as this wording will not fit on normal signboard. Will need special sign and will need to go by Transit as well		DO
13940	23/05/11	Franklin Street, Marahau	Needs to be no parking lines marked for approx. 20 metres back from the intersection with the main road, possibly on both sides of the road. A number of visitors park right on the corner		Approved, should be done within next 4 weeks		DO
13941	23/05/11	High Street	Footpath in High Street, by the Celsius Café, has been displaced and requires smoothing off. There is also broken concrete as wee		To be repaired within next two weeks		DO
13942	23/05/11	Wallace Street	Approximately 10 metres from Hart lane, on the High street side a concrete sla has become displaced and requires smoothing or replacing.		To be repaired within next month		DO
14007	25/05/11	Umukuri Road	The mirror that was on the corner of Umukuri road and Little Sydney Road has been removed. It was a very helpful aid for traffic. Please can it be replaced				DO

SR No:	Date Raised	Location	Subject	Status From Dept	Progress	Date Completed	Requested By
14008	25/05/11	Mickells Road, Brooklyn	Mickells Road ends at 3 driveways. There needs to be a turning arc created to allow vehicles to turn without the need to reverse.				DO
41759	25/05/11	Umukuri Road	Open drain alongside road seems a hazard for vehicles and pedestrians. (particularly children walking to and from school) Are there plans for this to be piped?		With MWH		DO
14009	25/05/11	Queen Victoria/Whakarewa Street	2 potholes, one in Queen Victoria Street and the other in Whakarewa Street each side of the intersection				DO
