CORPORATE SERVICES

Council Enterprises Subcommittee

The board needs to elect a representative for the Airport Users Group (as community representative to this subcommittee). This is as a result of the 9 December 2004 meeting of the Council Enterprises Subcommittee where it was resolved:

“That the Enterprises Subcommittee appoints an Airport Users Group with members from the following sectors:

- Sky Dive Able Tasman
- Abel Tasman Air
- Nelson Aviation College
- Hang Gliding New Zealand Ltd
- Motueka Aero Club
- Nelson Drag Racing Association
- Main users
- General community representative (Motueka Community Board member nominee)

That this group meets quarterly in Motueka with the Service Centres Manager. Council will provide administrative support.”

COMMUNITY BOARD

Community Board Delegations

At the Council meeting of 2 December 2004, the Chief Executive presented his paper on Community Board delegations. Following much discussion Council resolved to

confirm Stage 1 delegations to the Golden Bay and Motueka Community Boards, for this triennium. In addition, Council have agreed to set up a working party of 3 councillors and the 2 community board chairs, to investigate ways to enhance responsibilities of the two boards. This working party will report their recommendations back to Council.

ENGINEERING SERVICES

Street Lighting

Steve Elkington replied to Board Member Dowler's enquiry regarding street lighting. Steve advised that some funding is available and further investigations are going to be carried out in a few months time. Steve advised that he has the Motueka Community Board's list but will ensure that Pah Street is investigated this time around.
