PARKS & RESERVES

Projects and items of interest for 2006/07

| | | |
|---------------------------|-------------------------------------|--|
| Tapu Bay/Stephens Bay | Concept plan for future development | A discussion document has gone out to residents and the wider public for comment until the end of April. |
| Anarewa Crescent Reserve | Pest plant control | Pest plant control has begun on this reserve. |
| Old Wharf Road Skate Park | Skate park development | A group of the skate park users have been having working bees here to upgrade the park. |
| Tilson Cres Reserve | Playground | A public meeting to finalise plans is to be held in the reserve shortly. |

| | | |
|-----------------------------|-------------------------------|---|
| Decks Reserve | Tea House | Detailed plans are being drawn for the Tea House. |
| Torrent Bay | Coast care | The plantings are establishing well here and the community are keen to carry out further planting this winter. |
| Thorp Bush | Vandalism/Graffiti | The bush has been on the end of a series of vandalism and graffiti attacks recently. An area of the bush was slashed and trees were cut down. |
| Memorial Park | Graffiti | This park has also experienced several instances of graffiti spraying, on buildings, tables etc. |
| Alex Ryder Memorial Reserve | Coast Care Illegal Camping | Additional plantings are planned for this winter. Illegal campers have been causing problems on the reserve. |
| Courtney St East | Walkway | Keep Motueka Beautiful have put a walkway from Old Wharf Road |

| | | |
|---------------------|-------------|---|
| | | to Courtney St. They are planning an official opening in May. |
| Tasman Rec. Reserve | Maintenance | SICON are now mowing this reserve and a clean up of junk and rubbish left behind by various users is to be organised. |
