SUBJECT: Reserve Manager's Report

The following is an update on capital projects and items of interest.

MOTUEKA

Site	Projects for 2007/08	Update
Tilson Crescent Reserve	Playground	Completed.
Sportspark Motueka	Rugby Game	This went really well and we have received a lot of positive comments regarding how well the fields looked and played.
Claire Place Walkway	Path	The path will be extended in this area to link the various streets.
Decks Reserve	Memorial Plaques	A meeting was held recently to progress with this project.
Memorial Park	Hedge	Investigating suitable fences to replace the burnt out hedge at the park.

The storm on 22 January caused damage to a number of trees on our reserves. SICON have been busy clearing up.

The high tide along with strong Northerly winds on Sunday 24 February caused problems for a number of our coastal reserve.
