

REPORT

TO: Motueka Community Board
FROM: Chair, David Ogilvie
REFERENCE: AA508
SUBJECT: Discretionary Fund Applications – RMK10-04-02

Purpose

To consider the following three applications for discretionary funds.

1) Motueka Mental Health Network

Requesting \$500 towards erection of a noticeboard to display the Directory of Community Services.

2) Motueka Branch of RSPCA

Requesting \$500 towards five screens for protection/shelter for cats and kittens.

3) Motueka Maori Wardens

Requesting \$200 towards erection of a directional sign outside Deck's Reserve.

Discussion

Representatives from each organisation will be in attendance to present their application.

Notes:

- Is it helpful that a Board member liaises with each applicant prior to the Board's monthly meeting, to provide advice and information for when the Board discusses the application?
- Should applications be considered monthly, or less frequently, eg three monthly?
- Is it opportune to review the Discretionary Fund criteria as to how the \$5,000 is best allocated?
