1. PURPOSE

- 1.1 Welcome to today's meeting. The meeting today will have a number of presentations that will bring the Committee up to speed with updates from the Ministry of Transport, National Land Transport Programme, the Draft Government Policy Statement and Passenger Transport Plan. These are going to give the Committee food for thought as we develop our next Regional Transport Programme which will offer a number of challenges, with falling funding streams and pressure to spend more in large urban areas.
- 1.2 We recently had a Top of the South Transport meeting (Nelson, Marlborough, and Tasman) and there is real concern over the possible loss of up to \$22 million of 'R' funding to the Top of the South.
- 1.3 Locally we have come under real pressure as a result of consecutive flooding and storm events. The resulting damage to our roading and rivers infrastructure unfortunately comes at some cost.
- 1.4 I look forward to your attendance at today's meeting.

2. RECOMMENDATION/S

That the report be received.

3. DRAFT RESOLUTION
