

Water Shortage Direction

Section 329 of the Resource Management Act 1991

The Tasman District Council considers there is a serious temporary shortage of water in the following zone and the taking/use of water is to cease.

A Cease Take which is a 100% cut from authorised weekly usage will **commence** from **Monday 01 March 2021** for the holders of consents who are in the following Water Management Zone

Rainy

It is important Consent holders are familiar with Resource Consent conditions

The position will be reviewed at the next meeting of the Dry Weather Taskforce on 2 March 2021.

**Issued under delegated authority by
Dennis Bush-King, Environment and Planning Manager**
