

Water Shortage Direction

Section 329 of the Resource Management Act 1991

The Tasman District Council considers there is a serious temporary shortage of water in the following zones and the taking/use of water is to cease.

Cease take is necessary to help prevent further reductions in river flow.

A cease take will remain in place from Monday 02 March 2020 for holders of consents who are in the following Water Management Zones:

Dovedale Surface Water, Dovedale Ground Water.

A cease take will commence from Monday 02 March 2020 for holders of consents who are in the following Water Management Zones:

Moutere Surface Water.

The position will be reviewed at the next meeting of the Dry Weather Taskforce on 03 March 2020.
