SUMMER EVENTS

2019

WELCOME TO SUMMER

Nau mai haere mai, welcome.

Summer in the Nelson Tasman region is a special time of year for us all. We can look forward to endless hours of sunshine which, with our stunning natural landscape, provide the perfect backdrop for the summertime entertainment and activities we've got lined up for this year's Summer Events programme.

The programme is packed with great reasons to be in the Top of the South over the holiday season for locals and visitors alike. Many of our favourite events from previous years are back – who doesn't love taking the little ones to the Teddy Bears' Picnic,

or packing a hamper of goodies for an evening under the stars at Summer Movies Al Fresco. And then there's the Nelson Buskers Festival – live street performance at its best – and much, much more.

Every summer, Nelson City Council and Tasman District Council produce this guide with the generous support of our sponsors, to promote the fun (and usually free) events and attractions to entertain you and your family.

Keep it, use it and enjoy!

SUMMER MOVIES AL FRESCO

MOVIES

OLIVER!

1968 // G // 153 mins

This musical version of Charles Dickens' classic novel stars Mark Lester as Oliver, an orphan who runs away from the Workhouse. On his journey through Victorian London and, by chance, back to his family, he meets a variety of lively characters, some helpful, some more villainous.

THE TAMING OF THE SHREW

1967 // G // 122 mins

The story of taming the 'shrew' in order to win the younger sister has been told in various forms over the years, for example in *Kiss Me Kate* and *10 Things I Hate About You*. In this stunning Franco Zeffirelli film adaptation it is played classically and true to Shakespeare's original play, with truly powerful performances by Elizabeth Taylor and Richard Burton.

Fri 14 Dec–Sun 27 Jan (not every day, please check schedule carefully) // 9–11pm (movie starts at dusk) // Adult \$2, child \$1

The Summer Movies begin in December this year with four pre-Christmas screenings, including the totally adorable family movie *Miracle on 34th Street* at the Botanical Reserve on the night of The Lantern Celebration! (See page 5.)

With the intention of making the Summer Movies more accessible to a wider audience, some screenings will be shown with English subtitles turned on (see listings marked **S** on the schedule). All parks have flat, grassy surfaces and accessible toilets, except Fairfield Park and the Motueka Saltwater Baths.

Come and see a musical, a drama, a dark comedy, a Shakespeare, a Christmas movie and, of course, a famous dog! Gather a group, a picnic, contemplate a blow-up giant couch and join us from 7.30pm to play giant board games, enjoy the park and watch the region's glorious summer sunsets.

Movies will not screen if it is raining. If the weather is marginal on the night, please text 'Is it on?' to 021 776 623 **after** 7.30pm.

www.nelsonsummer.nz

**PLEASE PACK IT IN, PACK IT OUT
AND KEEP OUR PARKS BEAUTIFUL!**

THE DAWN PATROL

1938 // PG // 103 mins

Set during World War I, this moving, sometimes comic, drama examines the futility of war, focusing on a division of the Royal Flying Corps with an appallingly high casualty rate and the impact of this on the behaviour of members of the squadron. Stars Errol Flynn, Basil Rathbone and David Niven.

COURAGE OF LASSIE

1946 // G // 92 mins

Kathie (Elizabeth Taylor) nurses a dog she names Bill (played by Lassie) back to health after he is injured, and they become close friends. They are separated and he is sent to be trained as an army dog, proving himself in battle but becoming shell-shocked. Will he find his way back home?

DR. STRANGELOVE OR: HOW I LEARNED TO STOP WORRYING AND LOVE THE BOMB

1964 // PG // 95 mins

Written and directed by Stanley Kubrick, this Cold War-era dark comedy stars Peter Sellers in three different roles. As the US 'war room' tries to avert the disaster of a nuclear attack begun by a mad US general, we get an insight into the ridiculousness of the strategy of peace through nuclear build up.

MIRACLE ON 34TH STREET

1947 // G // 96 mins

A truly wonderful family Christmas movie where realist Doris Walker (Maureen O'Hara) and her daughter Susan (Natalie Wood), who don't believe in fairy tales, are forced to re-examine their beliefs when they meet a man who claims to be the real Santa Claus.
