Victoria Davis

Ms Davis requested that the Golden Bay Community Board meeting dates and times be advertised in the upcoming events calendar of the Golden Bay Weekly on the Friday before the meeting date and asked for the public forum time to be made clearer.

Ms Davis reminded everyone over the past year voters have successfully petitioned for voters to be able to decide which voting method they want to use in the local body elections. There will be

an additional vote this year to decide what method voters want, either a single transferable vote (STV) or first past the post (FFP), Ms Davis advocated the STV method. Ms Davis also extended her thanks to the Board members for representing the Golden Bay community.

Mike Delceg

Mr Delceg spoke on behalf of Grey Power and Golden Bay Rural Women and advised the Board that there will be two “meet the candidates” sessions.

The meeting times are Sunday 15 September 2.00pm at the Collingwood Sunday School Hall and at the Golden Bay Senior Citizens Hall at 7.00pm on the same day.

Penny Griffith

Ms Griffith brought up the lack of nominations for the Board. Ms Griffith said she is concerned that if 4 or fewer people stand that they will be elected automatically and is also concerned about the added cost of a by-election. Ms Griffith encouraged people to consider standing. Ms Griffith tabled a document providing information on voting STV.

Maxwell Clark

Mr Clark introduced himself and announced that he is standing for Mayor in the current elections. Mr Clark said he was very interested in how the application to form a Local Board was progressing.

Bill Wallis

Mr Wallis a resident of Anatoki Track Road informed the Board that Anatoki creek is full of gravel and if substantial rain falls the bridge could wash away. He also stated that the Blackwood trees are being undermined on the western side of the creek. Mr Wallis said an agreement was signed in 2006 between Council and the residents to say that Council would be responsible for the maintenance of Anatoki Track Road. Mr Wallis said he will not fund any further maintenance of the bridge or Anatoki Track Road until the Council meet their commitment.

Ms Chapman the Chair of the Golden Bay Shared Recreation Facility read from and tabled a document which will be included in the correspondence items in next month’s agenda.
