

Waiting List for Groundwater Allocation from Fully Allocated Zones

Where water is reserved in a zone under Schedule 31D of the Tasman Resource Management Plan (TRMP) for either Maori Perpetual Lease Lands (MPLL) or Community Supply this is identified as follows. Where water reservation applies, it has priority over the waiting list:

*"*1 Water is reserved in this zone for the irrigation of Maori Perpetual Lease Lands or for community water supply and this reservation has priority over the waiting list."*
